28TH ANNUAL RIVER HEIGHTS TWINS NIGHT AT TARGET FIELD

Inver Grove Heights, MN— The River Heights Chamber of Commerce invites the public to the 28th Annual SSP-IGH Community Night at Target Field, sponsored by Waterous Company. The Minnesota Twins will play the L.A. Dodgers at Target Field at 7 p.m. on Tuesday, June 28, 2011. But this event is much more than just a ball game!

The Simley High School Choir, sponsored by Heartland Credit Union, will perform the National Anthem, and Chamber board member and owner of Endorse Communications, Adam Bengtson, will throw out the ceremonial first pitch.

Reserved seats in the upper deck behind home plate (Home Plate View section) are just \$25 and are available at Pro Pharmacy in South St. Paul or the River Heights Chamber of Commerce in Inver Grove Heights. Bus transportation from locations in SSP or IGH is just \$6; contact the Chamber at 651.451.2266 for location details. Groups of 30 or more will receive special scoreboard recognition, bus transportation from their location and an autographed baseball.

Residents are encouraged to sponsor tickets for a Neighbors, Inc., family or local group home resident to attend the game. A donation of \$31 allows one person to use the bus transportation and attend the game. A \$124 donation will send a family of four to the game. Past recipients of these sponsored tickets have been very appreciative of the opportunity to see Target Field and the Twins, sometimes for the first time. Many have reported that they've listened to the Twins on the radio and watched the games on TV their whole life, but never had the chance to attend a real game.

The River Heights Chamber of Commerce thanks our many chamber member businesses for sponsoring this event and providing tickets for Neighbors, Inc. and group homes clientele. Contact Carol at 651-451-2266 or visit www.riverheights.com for information.
