New 2011 River Heights Chamber of Commerce Chairman Supports Businesses Working Together for Revitalization

The River Heights Chamber of Commerce announces its 2011 Chairman of the Board, Bruce Bairaktaris of Quality Auto Care Center. The River Heights Chamber of Commerce has over 100 years of experience and a proud history of serving the businesses and communities of Inver Grove Heights and South St. Paul. The Chamber actively supports development opportunities both locally and statewide. It provides timely updates to keep members educated on issues which may impact you and your business. The benefits of Chamber membership have never been more important than they are today.

Though these past few years may have presented challenging times, the Board of Directors, comprised of local business people, are committed to fulfilling the Chamber's mission, to aggressively promote the interests of the business community. Bruce also believes that there has never been a more important time for organizations like our Chamber to unite and work toward the revitalization of our economic base. In 2011, the River Heights Chamber will expand its business incubation services to encourage home-grown business development.

Bruce is the owner of Quality Auto Care located on Concord Exchange in South St. Paul. Quality Auto Care Center started off providing custom exhausts and general repair and has expanded their services over the years to include engine repair, transmission, tire repair and replacement, and towing. Their specialty is building custom exhaust and installation. Bruce is dedicated to his clients, the Chamber and our local community.

For additional information, visit the River Heights Chamber's website at www.riverheights.com or call any of the staff at 651-451-2266.
