**Good Samaritan Society- Inver Grove Heights
2011 Non-Profit Partner**

The River Heights Chamber selected **Good Samaritan Society- Inver Grove Heights** for their 2011 Non-Profit Partner. Good Samaritan Society- Inver Grove Heights shares the Chamber's commitment to partnerships and to strengthening our communities.

The River Heights Chamber of Commerce has a wide variety of non-profit organizations in which it is involved and has represented through their membership. In 2008, the River Heights Chamber of Commerce created a pilot program in which the Chamber selected a non-profit partner for the year. The Chamber embarked upon this pilot program to better create awareness of the solid relationships between the business community and our region's philanthropic organizations. Past members of the program have included Neighbors Inc., DARTS and Guild Incorporated.

Good Samaritan Society- Inver Grove Heights is honored to be the Chamber's 2011 Non-Profit Partner because it will heighten the awareness of their work and community impact. The River Heights Chamber will feature different ways the residents and the business community can support this local initiative. Currently, Good Samaritan Society- Inver Grove Heights has an ongoing garden fund to assist with the upkeep of their garden areas. These funds are used for such things as planting bushes, perennials and annual flowers throughout their garden areas.

If you are interested in donating to the garden fund throughout the summer, please contact, Cheryl Steiner at csteiner@good-sam.com or call 651.451.1853 ext. 137.

The River Heights Chamber of Commerce is proud to have Good Samaritan Society – Inver Grove Heights as our 2011 Non-Profit Partner of the Year.
